Clever Page

The image shows a screenshot of the Clever Elementary School dashboard. The top navigation bar is blue and contains the Clever logo, the text 'Elementary School', a search bar, a 'Portal' button, and a 'Student Name' dropdown menu. On the left side, there is a vertical sidebar with various resource categories: Favorite resources, Teacher Pages, TUSD Resources, Video Conferencing and Editing Tools, Google Applications, Digital Textbooks, Research Tools, ST Math, Coding, Applications, Clever Help Resources, Digital safety resources, and More apps. The main content area is divided into sections: 'Favorite resources' featuring ST Math (with a penguin icon) and Google Drive (with the Google logo); 'Teacher Pages' featuring a profile for Mrs. Teacher Page (with a cartoon avatar); and 'TUSD Resources' featuring three icons representing different educational resources. A notification banner at the top of the main content area reads 'Clever extension' with a link to 'Get the Clever extension for one-click access to any program.' Two yellow callouts are present: a speech bubble pointing to the notification banner that says 'You can install the Clever Extension', and a thought bubble pointing to the Mrs. Teacher Page profile that says 'Access to PowerSchool'. A large yellow leaf graphic is positioned on the right side of the image.
