

Evidence of insurability

Instructions for online submission

What is EOI and when is it needed?

EOI is the information we use to verify your good health when you're purchasing life, disability, or critical illness insurance. We require EOI if you are:

- Buying an insurance amount higher than the guaranteed amount for your plan
- Already enrolled and want to increase coverage

Get started now

2. Click "Complete Evidence of Insurability."
3. Answer the questions about you and other applicants. You'll be asked:
 - General applicant information, such as date of birth, height, and weight
 - Qualifying questions, including if you or other applicants have been diagnosed with a disease or are prescribed medications for a condition
 - Medical questions—if you or other applicants have a condition, we may need to know a little more about it, such as the name, diagnosis date, and treatments
4. Review your responses, then electronically sign and submit your application.
5. Save your confirmation report.
